

## **EXPLANATION OF KCJ CONTEST SCORING**

For the guidance, the scoring of the KCJ Contest is hereby explained in detail making reference to CQ World Wide DX Contest Rules:

<https://www.cqww.com/rules.htm>

### <CONTEST EXCHANGE>

JA : RST plus Japanese Prefecture/District Code (e.g., 599 TK)

DX : RST plus CQ Zone Number (e.g., 599 03)

### <SCORING FOR JA STATIONS>

A. Score: The final score is the result of the total QSO points multiplied by the sum of Japanese Prefectures/Districts and CQ Zone multipliers. Example: 1000 QSO points X (70 Japanese Prefectures/Districts + 30 CQ Zones) = 100,000 (final score).

B. QSO Points: Stations may be contacted once on each band. QSO points are based on the location of the station worked.

Contacts with JA stations count one (1) point.

Contacts with DX stations count two (2) points.

C. Multiplier: There are two types of multipliers.

Japanese Prefecture/District: A multiplier of one (1) for each Japanese Prefecture/District contacted on each band received from another. The Japanese Prefecture/District Codes of KCJ Contest Rule are the standards.

CQ Zone: A multiplier of one (1) for each different CQ Zone contacted on each band received from a DX station. The CQ Worked All Zones rules are the standards.

**Contest Exchange of JA is RST plus Japanese Prefecture/District Code.**

**Therefore, JA stations' CQ Zone number 25 is NOT counted as a CQ Zone multiplier.**

### <SCORING FOR DX STATIONS>

D. Score: The final score is the result of the total QSO points multiplied by the sum of Japanese Prefectures/Districts multipliers. Example: 1000 QSO points X (70 Japanese Prefectures/Districts) = 70,000 (final score).

E. QSO Points: Stations may be contacted once on each band. QSO points are based on the location of the station worked.

Contacts with JA stations count two (2) points.

Contacts with DX stations count one (1) point.

F. Multiplier: There is a type of multiplier.

Japanese Prefecture/District: A multiplier of one (1) for each Japanese Prefecture/District contacted on each band from a JA station. The Japanese Prefecture/District Codes of KCJ Contest Rule are the standards.
