KCJ 3-area Meeting

reported by JR3XEX

On March 17-18, the KCJ 3 area meeting was held in Toyooka-city. Crabs and hot springs were what the participants expected there most.

We enjoyed them very much and spent a joyful time talking, eating and drinking.

CRAB ! CRAB !! CRAB !!!

KCJ 1-area Meeting

reported by JK1CWR

On Apr.14-15, eleven members gathered to the KCJ 1 area meeting held in Tsukuba-city.

Some came very early to operate on HF bands, and others enjoyed SAT and so on.

The meeting started at 18:00 by the speech of JA1BML. The BAR KCJ opened at 21:00 as usual, and we enjoyed talking and drinking over 26:00...hi.

What Do You Find ?

Why don't you have a look at the following website ?

<http://www.rigpix.com/index.shtml>

On the website, you can find a lot of kinds of old transceivers, even portable radios made all around the world.

It's so interesting to see 40 years old RIGs such as Hammerlund, Hallicrafters and so on.

Ten-QSOs gives a Diploma

JH8CBH

I have held a CW-workshop using 2m FM for nearly ten years. Many local stations have taken part in it and got a third-class license. But I wonder if it could increase the number of real CWer...

So, this year I told the participants that they should try to operate CW after the workshop.

The workshop was supposed to finish in the middle of Jan. Some of the participants, however, requested some more extra classes.

Once the listening skill gets better, there's not much difficulty in the transmission skill.

When one of the participants tried operating CW for the first time, I was sitting beside him and gave him advice. Sending CQ ... and ...DE... came back. Both of us were dripping sweat and shared the joy of the first CW QSO. It reminded me of my own first CW QSO when I was a high school student...

Our CW workshop would really finish after 10 real QSOs...

VOICE OF MEMBERS

Short Break (2007-Apr.)

JA1PHE: I have started QRV on VO-52 and FO-29 SAT since last Dec.

I've worked about 100 stations. I call CQ on weekdays but there are few stations calling me. I've worked 37 JA-prefectures for WAJA award. I'll chase mobile stations at nighttime.

JJ1INO: I've been nearly QRT these months. I'm impatient to make a new QRP CW transceiver. It's my very lifework.

JA2MYA: I worked VK9DNX from 80m to 10m. Bands have been getting a little lively.

JH3HGI: I need more four prefectures (Nara, Kumamoto, Miyazaki and Kagoshima) for SAT-WAJA. Even if I find them, the pile-up prevents me from working.

JH4RGH: Though my KCJA points did not increase, I got some AJA points.

JA5CUX: My KCJA seems to need much more time to increase.

JA8AJE: I worked 2 new entities on 80m. I need more 40...

Short Break (2007-May)

JA1BML: I participated in KCJA 3 Area Meeting, the theme of which was "Crab".

I enjoyed eating delicious crabs very much.

On my way to the meeting, I operated SAT in a new city (Kizugawa-city).

Next day I eyeballed JH3HGI and we visited JR3KQJ's shack, where we met JI3DST.

The next day of the meeting, I visited a certain station in Tottori, and operated SAT in Fukuchiyama-city (in Kyoto).

In those four days, I drove about 2,000km.

JA1COP: Attending the 1 Area meeting, I got once again interested in SAT.

As I had had equipments for it, I could start operating SAT on VO-52.

JJ1INO: I made an entry to the JCC Master Ranking by JARL.

Now I'm in the 40th (JCC-835).

OT stations have more deleted ones, so it is hard to be ranked higher.

Though I'm not sure whether CW-Only could be endorsed, I'd like to be in the 10th or up.

JA2MYA: DX propagation has been getting better. I worked J5UAR as my new-one in AF.

JA5CUX: QSLs on SAT have been arriving. I'm looking forward to the coming SAT days.

JA8PON: Snow disappearing, I changed tires of my car. The season of mobile operation has come. This year I'd like to complete all the Road-Stations in Hokkaido.

Short Break (2007-June)

JA1BML: I took part in the 1 area meeting on 14-15 Apr. On the way to the meeting, I tried operating SAT in some cities.

On the way from the meeting, JA1TCF and I tried operating via FO-29 SAT. It is very sorry that FO-29 stopped its work on 21st Apr.

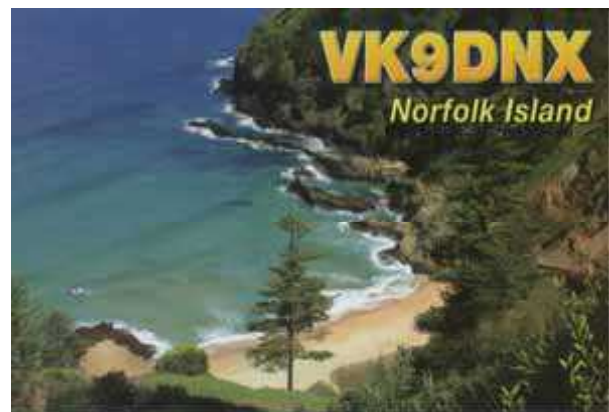

JH1XSB: During this new year's days I set up BB7V vertical antenna. From March to May I worked 95 QSOs. I'd like to enjoy "KCJ 30th Anniversary QSO Party" from June to November.

I'm looking forward to meeting you in the QSO Party.

JH4RGH: Thank you very much for sending "The Key" to me every month. I'm very glad to find a commemorative stamp on the envelopes.

I'd like to send my monthly report as often as I can.

JA8AJE: The season of "Es" has come. I hope to enjoy 12m and Up. I'd like to be more active than usual especially on high bands. I expect that the KCJ 30th Anniversary QSO Party will help me to be more active.
