KCJ CONTEST 2007 Result

Multi Band	JH4UYB	HS	112,135
Overseas	K6XX	NA	9,928
1.9 MHz	JF6OVA	FO	1,860
3.5 MHz	JF1KWG	TK	4,674
7 MHz	7M2ALP	KN	7,310
14 MHz	JA8PON/8	TC	1,827
21 MHz	JQ1HIV	TK	406
28 MHz	JH7VOT	IT	342
50 MHz	JQ1HYB	ST	72
SWL	JA4-4665	KN	49,149

This year KCJ received 286 log sheets including 268 JA, 22 DX and 4 SWL.
(Last year 281 JA, 19 DX and 5 SWL)

INDEX OF CODES IN THE TABLE

* ---- Honor within top 5%	RS: RST sent was miscopied
+ ---- Honor of each area	MR: QTH code miscopied
DSQ: Disqualified	MS: QTH code sent were wrong
QSO: Number of QSO reported	NF: Not found in the log
CKL: (For Single-Bander only) QSO at other bands-unreported QSO	TM: Time differed more than 10 min. (The markings * in the tables from IM through TM indicate the number of each article counted more than 9.)
IM: Miscopied Call sign	WC: Duplicate counting of QSO/multiplier
UM: Call sign being miscopied	Of: Offence against the contest rule
RR: RST miscopied	no Log: Logs not submitted

Message from DX

N7EIE:

I last tried KCJ in 2003. Conditions were much worse this year. I only heard 2 Japanese stations on 80 meters, that was it. See you next year, I hope!

W7DRA:

Difficult conditions, especially with 100 watts and a dipole up 20 feet, heard no JA stations on 20 meters, only 40 meters was I able to work stations. Receiver: HRO60, Transmitter, ARC5 VFO, 304TH final, 100+ watts. Happy to work the contest. Wait until next year!!!!

(ed: Hope to hear your signals with boat anchors.)

JA6 Area Meeting

JE6QFP

The meeting was held on 8-9th Sep. in Miyawaka-city (JCC#4032). We set a Long Wire antenna with an auto turner(SG-230) and worked about 400 QSO on 160m-20m bands. We had a good time talking, drinking and keying ...etc.

JA6LVW JQ6QUO JE6QFP
JF6DRD(QFP's XYL) JL6XLF(QFP's Son)

Membership Number

KCJ decided to assign membership numbers. The number is assigned in order of the date on which each member became a member.

Members can indicate the membership number on QSL, but it is not obligatory.

JA7 Area Meeting

JA7GAX

Five members gathered to the meeting: JA7TJ, JA7AEM, JA7CPW, JH7FKQ and JA7GAX.

We enjoyed having delicious seafood and chatting like, "When I retired, I declared to my XYL that I would set out wandering..."

On my way from the meeting, I visited JA7PCH, who became blinded in her sixties and now eighties. She got a cerebral infraction, but after rehabilitation she recovered well now.

VOICE OF MEMBERS

Short Break (2007-Oct.)

JH0PPS: This month, I give in my report after a year. Not so many achievements...

JA1BML: Remodeling of my house was finished. I was not so active in mobile operations because of the heat of summer. As the weather has become a little cooler in Sep, I'd like to be active, especially on SAT.

JA1PHE: I helped the booth of KCJ at the Ham Fair for the first time. I made many eyeball QSO with those who are active on SAT.

JH1NXU: I use full-size Dipole antennas for 160/80m, using two telescopic poles: one is 6 meters long and the other 3.6 meters.

JJ1INO: I am thankful for having a lot of eyeballs at the Ham Fair.

JA2MYA: CONDX is really bad for DX. I'm looking forward to having FB CONDX soon.

JH3HGI: I've worked WAJA on SAT. (Waiting for two cards now.) I worry that I couldn't receive them... I visited the Ham Fair for the first time, which gave me a lot of eyeball points.

JH4RGH: I'd like to start PC... What I should buy? What I should do first? Help me!

JA8AJE: Worked so many QSO in KCJ TEST. How will it be ...?

JH8CBH: As it took me a long time to go to work, I moved from my own house to the housing for public school teacher. Since it was so boring to live without radio equipment, I set a V-Dipole(HF) and GP(VHF) antennas. Indicating "/8 JCC#0136" enables me to make many QSO.

Short Break (2007-Nov.)

JA1BML: I've been active on SAT. I've already worked JCC-600. I had expected to work 1000 QSO in Sep, but consequently I achieved the half of the number. I'd like to go mobile-operating a few times in Oct.

JA1PHE: I've worked WAJA on SAT. It took me about nine months to complete it. My KCJA points will be 550 if I confirm the cards.

JH1NXU: I've set up a five-bands HB9CV antenna (14-28MHz). The comfortable weather recently makes me feel to go mobile-operating.

JA2MYA: Though the CONDX has been bad, I've managed to work 3B7C on 80m-10m bands.

JJ6TJL/1: In order to join in the anniversary contest, I set up a mobile whip antenna in the balcony. It enables me to operate on weekends. But it is not easy to be picked up with such a small antenna and I get sometimes irritated ...

JQ6QUO: I'm about to complete KCJA-100. I had thought it easy to work them, but I found it a tough job. Of course I'm going to achieve 150 next.

Short Break (2007-Dec.)

JA7KJR: On 17th Sep, I completed to work ALL the JCC on SAT (CW only). I'll try to confirm the cards.

JA8AJE: I bought an 18 meters telescope pipe for an antenna, but I've not yet used it... I'm planning to use it for a low band wired antenna or

L-type GP antenna for high bands. I'd like to do something about it until CQ-WW test.

JA8PON: As I might be moved again next spring, I have to try to use up my "/8 Obihiro-city" QSL cards.

JA1BML: I upgraded my antennas. One for 144/430MHz was from 3-ele/6-ele to 5-ele/10-ele. GP for 1200MHz was to 13-ele. High bands was from T2FD to Rotary Dipole. But I wonder where I should set the 80m/40m/30m Dipole, what type is good for 160m...

JN7MLJ: This is my first report to 'The Key'. I'm so surprised to see how active other members are.
