## NEWS

### KCJ was ranked 9th 2008 Club Contest

Ninety-eight radio clubs participated in the competition which is competed by the total points of the participants of each club.

When you participate in contests held by JARL, please don't forget to write the registered club number "10-4-68".

### YOMIURI AWARD

Our member **JA2OLJ** received the "Yomiuri Award (World 10,000 stations)". He had already received the Award of 10,000 domestic stations.

**Congratulations !!**

### Pocket Navigation System

**JH3HGI**

I'm using "map21EX", which is a small navigation system by Empex Instruments Inc.

When I enjoy mobile operations, this helps me know not only the latitude & longitude but also the grid locator of the place.

(The screen below is showing the grid locator "PM74EJ")

## VOICE OF MEMBERS

### Short Break (2008-June)

**JA1DD:** I've been nearly in QRT so as to maintain my health. I make it a rule to go to a gym, do aerobics for an hour and swim about 1 km. Recently I've kept early hours and seldom have time to enjoy radio.

**JA1BML:** The season of Es has come. I changed my antenna for 6m band into a new HB9CV.

**JA1CSB:** I've been gradually less active on the air.

**JG1BAH:** I appreciate all the effort that the members of the board have been making. I'd like to help KCJ with what I can do.

**JG1RIA:** I started again HF bands (40m to 10m) with a DP antenna. I hope to meet you on the air.

**JH1BAM:** I've been in low activity and sometimes chasing a new DXCC.

**JH1HTK:** I repaired my antenna, which enabled me to operate only on 40m band. I've been still QRPP (30mW). Please pick up my signal.

**JH1IZR:** I've been chasing DXCC, JCC and KCJA. It depends on the sunspot condition.

**JH1NXU:** Should KCJ have a club station ?? I'm sorry that the rule of KCJ contest was changed (about club stations).

**JJ1INO:** I'm trying to make a 40m band DC receiver for the homebrewers contest of Ham Fair this year.

**JK1CWR:** I'm preparing for an application to have 600W license.

**JQ1NGT:** I participated in ALL JA TEST in Apr after long absence. I am sometimes enjoying the new 40m band.

**JH3HGI:** During the holidays in May, Es often appeared and I worked lots of KCJ points from 17m to 10m bands. I operated 200W this year. The way I was called was different from what it had been with 100W at the same time last year.

**JO7EGJ:** I am wondering if I could make an antenna for LF (2200m) band.

**JA8AJE:** It's not in good to use 'zlog' with USBIF4CW on my main PC. So I bought a second hand laptop one to use it. It's working well but is so heavy for a laptop PC... A new compact 'Net Book PC', which is very popular now, interests me a lot, but it's very sorry that the Net Book PC has no COM port.

**JA8PON:** Snow on the mountaintops has begun to melt, the color of the sea has changed from dark into blue. I'm looking forward to meeting a good break on the air.
