01 DF7TV Tom-san’s KCJA Achievement

【JH1ASG/NAKA】

I would like to announce proudly that our Associate Member DF7TV Tom-san finally achieve KCJ Award. Congratulations!!!

Keymen's Century of Japan Award (KCJA class 100) is available to amateur radio operators who have 100 confirmations for working different Japanese prefectures on CW mode, under the restriction that one prefecture is valid once on a band.

Tom-san's working different Japanese prefectures on different bands is as follows:

80m: 1, 40m: 13, 30m: 8, 20m: 39, 17m: 16, 15m: 17, 12m: 3, 10m: 3

Total 100

As I supported Tom-san by arranging several schedule QSOs, and I myself got in touch with him on 20m band, I am very much pleased to know his success in KCJA.

Tom-san is in a position to expect Endorsement: Stickers are provided in multiples of 50 between 100 and 400 KCJA credits, in multiples of 25 between 400 and 600 credits, and in multiples of 10 above 600 KCJA credits. I am looking forward to his KCJA 150 Endorsement. And I hope that I will be the 1st JA station that contacts him on 160m band!

【Comments of the KCJ Contest Participants】

4I1EBD: I am grateful, for the first time I join this contest, looking forward to being a member of Key man.

DU1VGX: Thank you all for the QSOs. CU AGN and 73!

NH6O: At this contest, I regret that I was not able to contact beyond my result. Because the radio band wasn't open enough while I was able to operate. I contacted many stations in Japan in data mode, but the conditions for Morse code were not sufficient. I would like to participate with a better score next year. 73, Bob NH6O

RA4Y: Tks for QSO!!! 73!!!

RC0CD: Arigato! Nice KCJ Test

UA0D: Thanks for the great competition. Every year we take part as a single ops, and this year we decided to try ourselves as a team. It was a great experience.

Dear MCCO-san,

Again thank you for your work on the English editions of the KCJ Newsletter.
Seen the low number of associate members in the KCJ this is a real fantastic service you provide.

After this edition, I think I'll have to double my efforts for CW contacts to Japan :)

Thank very much from the bottom of my heart!

...and well – you and me still have to do contacts on the remaining eight short wave bands :)

CU 73

Tom
