01 Presidential Address

【JH1ASG/NAKA】

As the new president of KCJ, hereby I would like to greet you.

First, I will start with some personal information. On September 8th this year, I was very happy to celebrate my 60th birthday. On this very auspicious day, at the KCJ General Meeting, I was elected as the President of KCJ.

I would like to make KCJ a club where everyone can think, "It's fun to be a member of KCJ!" As KCJ will celebrates its 50th anniversary in 2026, I will do my best to pass on the baton of KCJ that my predecessors, including the former President JA5CUX/AKI have built to the next generation, while learning from all of you who have a lot of experience.

During my term as president, I will continue to work full-time, and I think it will take some time for me to react. I cannot manage this club alone. Therefore, I would appreciate it very much if you could kindly support KCJ as usual.

02 General Meeting

03 Ham Fair 2024

【JH1ASG/NAKA】

In August 2024, JARL-hosted Ham Fair 2024 was held at the new venue, Ariake Gym-ex, which was the venue for the gymnastics events at the 2020 Tokyo Olympic and Paralympic Games.

As in previous years, KCJ exhibited and promoted itself to visitors. Many KCJ members gathered at our booth including commemorative photo shoots on the first and the second day. The daughter of the late Mr. Yamago JM1HUX, was invited to join us at the Ham Fair. She became acquainted with our club when the deceased's beloved car was found in Australia, and the current owner contacted KCJ.

I also put my all into this year's Ham Fair.

In the morning, before the venue opened, I led those who would like to operate the special commemorative station 8JIHAM to the designated entrance.

They enjoyed operating the commemorative station, including remote operation, which was the first time in the history of JARL Ham Fair. Since it was not possible to install HF antennas at the venue, Ariake Gym-ex was connected to multiple sites in Tokyo via the

Internet, and remote operation was carried out on the HF bands.

<The first operation of 8J1HAM by Mr. Morita JA5SUD, President of JARL>

He used a personal computer, instead of a rig for his remote operation.

I was very fortunate indeed to attend the world-wide unveiling of ICOM's new product, IC-7760.

In the evening of the first day, I changed into a suit as an MC and introduced the overseas guests at the eyeball party hosted by JARL. At that time, I welcomed the guests' participation in their native languages, which was greatly appreciated.

I believe the Ham Fair will be held at the same time and venue next year. KCJ would also like to continue exhibiting at this important event.
